COLLINS COMPUTING NAMED TO 2008 MICROSOFT DYNAMICS INNER CIRCLE
Microsoft Honors Collins Computing for Outstanding Customer Commitment and Sales Achievement

MISSION VIEJO, CA — AUGUST 26, 2008— In acknowledgment of exceptional service and sales performance, Collins Computing has been named to the 2008 Microsoft Dynamics Inner Circle for the 14th consecutive year – the only Inner Circle Member to accomplish this feat.

The elite group recognizes outstanding partners whose sales achievement ranks them at the top echelon of the Microsoft Dynamics global network of value-added reselling partners. This recognition came during the Microsoft Worldwide Partner Conference 2008 in Houston.

“The Inner Circle achievement recognizes Collins Computing standing as a top partner for Microsoft Dynamics,” said Doug Kennedy, vice president, Microsoft Dynamics Partners. “This award is a direct result of the positive relationships that Collins Computing has developed with our customers as well as its commitment to delivering top-quality solutions.”

Collins Computing works closely with the teams at Microsoft Corp. to maintain a comprehensive understanding of the Microsoft Dynamics platform. This knowledge, combined with a deep understanding of customers’ business needs, enables Collins Computing to help customers leverage the full value of their Microsoft investments and achieve the enhanced customer service, productivity and operational efficiency that promote growth and competitive advantage.

Collins Computing provides implementation, training and consultation in Southern California for small, mid-market and corporate businesses using business applications.
