Top 100 VAR Recognition Again in 2011

Orange County, CA — June 14, 2011 — Collins Computing, Inc. is pleased to announce their #23 ranking on [Bob Scott's](#) Top 100 VARS list for 2011. This is Collins' 8th consecutive year receiving this honor—emphasizing their successful track record in this industry. Randy Forkner, President of Collins Computing, states “Our ranking on the Top 100 list is due to our many clients who work in partnership with us to solve their financial, supply chain, and non-profit business issues. We have a strong team at Collins, built solely to implement, service, train, and customize the solutions our clients need to more efficiently run their organizations.”

The VAR (value added reseller) firms on the list sell a variety of mid-market ERP (enterprise resource planning) products from Microsoft, Sage, SAP, Oracle, Epicor, and others.
