Collins Computing Named to Elite Microsoft Dynamics Inner Circle
Longest Consecutive Inner Circle Partner

MISSION VIEJO, CA — JULY 24, 2007— Collins Computing has been named to the Microsoft Dynamics™ Inner Circle, an accomplishment earned by firms whose sales achievement ranks them at the top echelon of the Microsoft Dynamics global network of value-added reselling partners.

“We are pleased to welcome Collins Computing back into the Microsoft Dynamics Inner Circle,” said Tami Reller, *corporate vice president*, Microsoft. “By achieving Inner Circle recognition, Collins Computing is at the top level of the premier partner channel in the industry. We congratulate them and thank them for their commitment to Microsoft, our customers and solutions.”

“Collins Computing, in its thirteenth year in the Inner Circle, is the longest consecutive Inner Circle member in the Microsoft Channel”, said Randy Forkner, *president*, Collins Computing. “This is a reflection on our drive to consistently deliver a complete customer solution. It is truly an honor to receive this accolade from Microsoft and we look forward to continuing to work with them to make a positive impact on our joint clients”.

The Microsoft Inner Circle recognizes the upper echelon of its Value Added Resellers and Solution Developers. In recognition of their exceptional sales and customer addition efforts, the Microsoft Inner Circle members are rewarded with an opportunity to attend executive retreats, increased interaction with Microsoft executives, and industry recognition for their hard work and dedication to the Microsoft mission. Members of the Inner Circle make up the top one percent of all of all Microsoft Business Solution Partners in the US and Canada.
