**Collins Computing Receives Outstanding Sales Recognition
From Microsoft Dynamics**

MISSION VIEJO, CA — JULY 24, 2007 — Collins Computing recently received recognition from Microsoft® for outstanding customer commitment and sales achievement and was named to the Microsoft Dynamics™ President's Club. This recognition honors Microsoft Dynamics reselling partners whose commitment to customers is reflected in their business performance and high level of sales achievement and customer satisfaction.

"Microsoft congratulates Collins Computing on achieving President's Club status," said Tami Reller, *corporate vice president*, Microsoft. "Collins Computing truly understands how important customers are to Microsoft and makes the extra effort to make their customers' experiences memorable."

"This marks the thirteenth year in a row that Collins Computing has received this prestigious award from Microsoft", said Randy Forkner, *president*, Collins Computing. "Our focus is to provide a complete solution to the customer – and with Microsoft products, we're able to deliver quickly, resulting in our customers success...which leads to ours."

To qualify for the Microsoft Presidents Club for 2007, Collins Computing was recognized for excellence in promoting Microsoft business solutions, comprehensive sales excellence, and new customer attainment. Microsoft awards Presidents Club status annually to the top-tier Partner organizations that demonstrate excellence in promoting their top business product lines.
