PRESS RELEASE
For Immediate Release

2014 ACCOUNTING TODAY VAR 100 LIST AGAIN INCLUDES COLLINS COMPUTING, INC.

August 1, 2014: California – Collins Computing, Inc., a 28 year old Microsoft Dynamics reseller, has once again been named to the VAR 100 List for 2014 by Accounting Today. Accounting Today has maintained this list of top accounting and enterprise resource planning VARs (value added resellers) which are ranked according to gross revenue in FY2013. Collins Computing increased their ranking from #35 in 2013 to #32 in 2014 out of 100 prestigious global accounting software resellers.

Randy Forkner, President of Collins Computing, states "Our clients are always looking for superior ERP and CRM consultants, which is why they've chosen to partner with Collins Computing. As business advisors and "technologists", we bring unique value to each conversation with a prospect or customer. Regardless of the size of the business, it's all about knowing how to help them drive their growth today, tomorrow, and into the future."

ABOUT COLLINS COMPUTING

Founded in 1986 and located in Orange County, California, Collins Computing is the largest Southern California Gold Certified Microsoft Dynamics partner. Collins Computing is the only Microsoft Dynamics partner to be named to the prestigious Microsoft Inner Circle for 14 years. Exclusively delivering Microsoft Dynamics ERP and Microsoft Dynamics CRM applications, Collins Computing has implemented solutions for some of the largest and fastest-growing businesses and non-profit organizations, both locally and globally.
