COLLINS COMPUTING AGAIN NAMED TO ACCOUNTING TODAY'S 2012 VAR 100 LIST

July 27, 2012: California – [Collins Computing](#) is again listed on the [Accounting Today](#) VAR 100 List for 2012. VARs (value added resellers) are ranked on the list according to revenue or estimated revenue in FY2011. Collins Computing maintains its consistent position on the list, ranking #29 out of 100 accounting software resellers across the globe.

Randy Forkner, President of Collins Computing, states "Despite the many changes in the accounting software industry over our 26 year history, one thing remains the same. Our success, and the success of our customers, is built on the long term relationships we have with customers. In addition, the team at Collins Computing is committed to delivering the best Microsoft products and services tailored to each individual client's needs."
