

## Microsoft Dynamics Powerhouse Partner Collins Computing Joins Acumatica

*Two-time Microsoft Dynamics Partner of the Year winner joins Acumatica as a reseller of its Cloud ERP Product.*

**Kirkland, Washington, September 4, 2014** – Collins Computing, a long-time Microsoft Dynamics GP partner with more than 500 Dynamics customers, has become an Acumatica partner.

Acumatica, the fastest-growing Cloud ERP company, announced the partnership at last week's Acumatica Partner Summit in Denver, where more than 400 partners were on hand for a week of keynotes, breakouts, training and certification.

“Collins Computing is thrilled to become an Acumatica partner,” said Steve Collins, founder and CEO of Collins Computing. “We’ve been looking for a way to take our customers to the Cloud, and we look forward to providing Acumatica’s superior Web-based solutions to our customers who will benefit from a Cloud-based ERP.”

Randy Forkner, President of Collins Computing, is the “Randy” behind the must-attend Randy and Andy parties at both Microsoft’s Worldwide Partner Conference and Convergence.

Acumatica CEO Jon Roskill said: “Collins Computing is a highly successful, well-respected Microsoft Dynamics partner who epitomizes what we’re looking for in a partner. We are excited to help Collins take their practice to the Cloud. This partnership is a validation of our technology, award-winning partner program, and 100%-channel centric model.”

### **About Acumatica**

Acumatica is a leading provider of cloud business management software that empowers small and mid-size businesses to unlock their potential and drive growth. Built on the world’s best cloud and mobile technology and a unique customer-centric licensing model, Acumatica delivers a suite of fully integrated business management applications such as Financials, Distribution, CRM and Project Accounting, powered by a robust and flexible platform. In an interconnected world, Acumatica enables customers to take full control of their business; to play to their strengths, since every business is unique; and to empower their people by going wherever their people go, on any device.
